

MP Schleifscheibe X-act

**Technical Data:**

- reduced finishing working time while maintaining the surface structure
- extended abrasive life due to multi-layer arrangement of the special self-grinding grit
- generation of a particularly even sanding pattern with low heat development due to the uniform arrangement of the triangular sanding grits
- recommended for wet grinding

Item-No.	Grit	Unit
MP Schleifscheibe X-act Ø 150 mm, velcro
